Should Not be Revoked)	

The Office of Regulatory Staff, by filing this petition, would respectfully show and request of the Commission that:

1. The Public Service Commission of South Carolina ("the Commission") is a state agency constituted pursuant to the laws of the State of South Carolina with its business offices located in Columbia, South Carolina. Further, the Commission is responsible for the regulation of telephone utilities operating for compensation as set forth in S.C. Code Ann. §58-9-10 et seq. (Supp. 2007).

2. The Office of Regulatory Staff ("ORS") is charged with the duty to protect the public interest pursuant to S.C. Code Ann. §58-4-10, et seq. (Supp. 2007).

3. The Telecommunications Companies listed in Exhibit A are certificated "telephone utilities" as defined in S.C. Code Ann. §58-9-10(6) (1976) in that they are persons or corporations, their lessees, assignees, trustees, receivers or other successors in interest owning or

operating in this State equipment or facilities for the transmission of intelligence by telephone for hire, including all things incident thereto and related to the operation of telephones.

4. The Telecommunications Companies listed in Exhibit A are subject to the jurisdiction of this Commission pursuant to S.C. Code Ann. §58-9-710 et seq. (Supp. 2007). Further, these Telecommunications Companies have submitted themselves to the jurisdiction of the Commission by their holding a Certificate of Public Convenience and Necessity as indicated in Exhibit A.

5. The Telecommunications Companies listed in Exhibit A, upon receiving their Certificates of Public Convenience and Necessity, were found to possess the technical, financial, and managerial resources sufficient to provide the services requested. S.C. Code Ann. §58-9-280(B)(1) (Supp. 2007).

6. ORS has the responsibility to ensure that telephone utilities are filing annual reports and certain special reports. "Subject to the approval of the Commission, the Office of Regulatory Staff may require any telephone utility to file annual reports in such form and of such content as the Office of Regulatory Staff may require and special reports concerning any matter about which the Office of Regulatory Staff is authorized to inquire or to keep itself informed or which it is required to enforce." S.C. Code Ann. § 58-9-370(A) (Supp. 2007). As well, Commission regulations provide:

[t]he telephone utility shall file the following documents and information:

1. Annual Report. Each telephone utility operating in the State shall file an annual report with the commission and provide a copy to the ORS, giving such information as the commission may direct."

26 S.C. Code Regs 103-612.1.

7. The Telecommunications Companies listed in Exhibit A have failed to file annual reports for the year ending 2007.

8. Pursuant to 26 S.C. Code Regs 103-830.B.1, “if a person other than the petitioner is named in a petition for a declaratory order or in a petition for a rule to show cause, the Chief Clerk shall cause a copy of the petition to be mailed to such named person within 14 days of the filing of the petition.” In order to assist the Commission in serving this Petition on the Respondents, the Office of Regulatory Staff has provided information in Exhibit A as to the status of each Telecommunications Company and whether the entity is a foreign or domestic business entity. S.C. Code Ann. §§ 15-9-210, 240, 245 (1976), set forth the procedures for serving foreign and domestic business entities.

9. The information for the business entities listed in Exhibit A accurately reflects the information on file with the South Carolina Secretary of State. See Exhibit B, Affidavit of Jeanne Gordon.

10. “Each telephone utility shall obey and comply with each and every requirement of every order, decision, direction, rule or regulation made or prescribed by the Commission and every direction, rule or regulation made or prescribed by the Office of Regulatory Staff in the performance ... or in relation to any other matter in any way relating to or affecting the business of such telephone utility and shall do everything necessary or proper in order to secure compliance with and observance of every such order, decision, direction, rule or regulation by all of its officers, agents and employees.” S.C. Code Ann. § 58-9-390 (Supp. 2007).

11. Pursuant to S.C. Code Ann. §58-9-1120 (Supp. 2007), “the Commission may ... conduct such other hearings as may be required in the administration of the powers and duties

conferred by Articles 1 through 13 of this chapter and by other laws relating to telephone utilities.”

WHEREFORE, the ORS staff prays that the Honorable Commission:

1. Enter an order establishing a Rule to Show Cause instituting a formal proceeding against the persons and business entities listed in Exhibit A.
2. For the persons and business entities listed in Exhibit A, pursuant to 26 S.C. Code Regs. 103-830.B.1, cause a copy of this petition to be served upon such named respondents or other proper person or entity within 14 days of the filing of the petition.
3. Require the parties to submit an Answer to this Petition within the deadlines prescribed by the Commission’s rules and regulations.
4. Schedule and conduct a formal administrative hearing to address disputed issues of fact and law regarding the Certificate pursuant to S.C. Code Ann. §58-9-820 (Supp. 2007).
5. Pursuant to 26 S.C. Code Regs 103-846.C, take judicial notice of the Commission’s records in that the required annual reports have not been filed for the companies listed in Exhibit A.
6. Find that the Telecommunication Companies listed in Exhibit A have not complied with orders, decisions, directions, rules and regulations made or prescribed by the Commission.
7. Enter a final order canceling the Certificates of Public Convenience and Necessity held by the carriers listed in Exhibit A.
8. For other appropriate action which the Commission may deem necessary.
